PROGRAMME

Scientific symposia, proffered paper and poster presentations, trade exhibition and book exhibition

The meeting aims to bring together radiologists, clinical oncologists and nuclear medicine physicians practicing locally and overseas for the interflow of knowledge and advancement in the field of Radiology. Physicians of other disciplines, radiographers and other healthcare professionals are also welcome.

This is the first time that the Royal College of Radiologists and Hong Kong College of Radiologists have jointly organized a scientific meeting in Hong Kong. Renowned overseas and prominent local speakers will cover a variety of topics in the various subspecialties.

A Radiographer Session will be organized to promote exchange of valuable experience with our radiographer colleagues.
