Preannouncement of Health Research Symposium 2014: “Translating health research into policy and practice for health of the population”

Dr KO Wing-man, Secretary for Food and Health, extends his cordial invitation to you to participate in the Health Research Symposium 2014 to be held on 15 November 2014 (Saturday, 9:00am to 5:30pm) at Hong Kong Academy of Medicine, 99 Wong Chuk Hang Road, Aberdeen, Hong Kong.

The Symposium aims to disseminate results of research projects funded by the Food and Health Bureau, recognise excellent researches, facilitate academic exchange and hence foster healthcare policy research with a view to mitigate the negative impact of emerging health threats.

**Highlights of Symposium**
- Parallel sessions on: Population Health and Health Policy, Emerging/Infectious Diseases, Delivery of Health Services and Advanced Medical Research
- Awards presentation

Please mark your calendar for this meaningful event. Details about registration, submission of abstracts and arrangement for CME/CPD points will be announced later.

For enquiries, please email us at rfs@fhb.gov.hk.
