Dear CH,

We are writing to thank you very much indeed for your kind invitation to the 10th Anniversary Meeting of the Hong Kong Academy of Medicine in conjunction with the meeting of IACAP and to congratulate you on the outstanding success of the various associated events.

The Congress itself was extremely well organised and the balance and the content of the programme was first-class. The Opening Ceremony was an extremely impressive occasion and the Congress Banquet was truly a feast. Thank you also for your generosity with the gifts we received on arrival and the magnificent glass bowl you presented to us as an official gift to the College.

The IACAP meeting and the associated meetings of physicians and surgeons were very interesting and informative. It is remarkable how our many diverse institutions face common problems. Hopefully, these meetings are helping us to find common solutions and ways of working together. Your Presidential Dinner following the IACAP meetings was again a wonderful evening of excellent food and wines and fascinating local and international company.

It was a privilege and a pleasure for us to be with you during this important week in the Academy's history and we send again our warmest congratulations on the Academy's 10th Anniversary.

With best wishes to you and your colleagues.

Yours sincerely,

Craig Duncan

Dear Professor Chung,

May I congratulate you on an absolutely excellent conference. I thought the standard was extremely high, the way you had put the event together was indeed impressive and the range of subjects superb. I realise how hard you and Joseph must have worked to make all of this possible and you have my heartfelt congratulations for making the tenth anniversary of the Academy such a wonderful event.

With very best wishes.

Yours sincerely,

Professor Carol M Black CBE, PRCP

Dear Ch,

**Hong Kong Academy of Medicine 10th Anniversary Congress,
28-30 November 2003**

My husband and I would like to sincerely thank you and the Hong Kong Academy of Medicine for giving us the special privilege to attend the 10th Anniversary Congress recently. You and the HKAM have been excellent host, and we were very well taken care of during our stay in Hong Kong. We thoroughly enjoyed the warm hospitality (we were literally showered with gifts!) as well as the fellowship of the HKAM and other invited guests.

The scientific programme was excellent: the topics were relevant and balanced – taking care of the learning needs of various specialties in the Academy. I very much enjoyed all the plenary lectures.

I was deeply impressed by HKAM, and have taken home many lessons learned: the history of how HKAM came into being (the legal status and HKAM Jockey Club Building in particular), the day to day running of HKAM, the continual growth and renewal of the Academy and the Colleges in terms of training, assessment and CME/CPD.

My husband and I would also like to thank the staff of the HKAM for being most courteous and helpful during our stay in the 5th floor HKAM Building (i.e. 5 stars facility!)

Congratulations to you and the HKAM for the successful conclusion of the 10th Anniversary celebration and Congress. It speaks volume of your leadership! I am sure HKAM will make greater strides in the future, and I look forward to even closer ties of our two academies.

With very best wishes.

Sincerely,

Dr Mrs S T Kew,
Director
