Chief Executive Officer
Mr. Aaron Cheng

Dear Fellows and specialist trainees,

I would like to invite you all to join in this celebratory event of 2026 「中國醫師節」香港慶祝大會.

In Greater China, the term 醫師 refers to Western medicine doctors, public health doctors, dentists, and Chinese medicine doctors. Since 2018, 19 August has been designated as the date for the celebration of doctoring, and this date is called 中國醫師節.

In Hong Kong, it is now the third year we have been celebrating the profession of doctoring in August. Seven organisations have joined hands in this celebration, including the Department of Health, the Hospital Authority, the Hong Kong Academy of Medicine, the medical faculties of The Chinese University of Hong Kong and The University of Hong Kong, 香港註冊中醫學會 and the Hong Kong Chinese Medical Association.

This year's slogan for this celebration is 醫心相連、杏林傳承、感恩有您. Indeed, we will have Chinese medicine doctors as well as western medicine doctors involved in all aspects of this event, from the organisation of this event, to stage performance, to undertaking the Emcee, etc. Furthermore, we are proud to be showcasing our young doctors, from the outstanding intern award to the HA young achievers. There are also 4 medical students among our performing singers, one student taking up the MC role, and 9 student volunteers for this event. We are also honoured to have Prof. Dennis Lo, President of The Chinese University of Hong Kong as our keynote speaker.

Music brings people together, and we are very happy that our nephrologists and our respiratory physicians are celebrating their anniversaries with memorable songs, and are giving a stage performance of their anniversary songs. Equally impressive and touching is the participation of 40 young friends sharing their love of music. The HA Chinese Orchestra is participating for the second year, which shows their commitment to this annual sharing of joy and pride in our medical profession.

I would like to welcome you to this event with open arms so that together we can celebrate our noble profession of doctoring.

Kindly scan the QR code or click the link below and follow the instructions for registration.
