eHKAM ID Registration

The eHKAM ID is a unique user account for Academy Fellow to access online resources.

After registration is completed, you will be

- assigned an email address¹, which is customisable through this registration form, to become your primary contact email address in the Academy Register. This email address also serves as your sign-in ID for accessing any online resources i.e. iCMECPD, eHKAM LMS and any new systems in future, so you do not need to remember different user names and passwords for different systems;
- provided a personal cloud storage space of 20 GB²;
- provided other productivity and collaboration tools³.

The eHKAM ID, once created, will be your unique e-identity for your e-learning experience and other online services as Academy Fellow.

CSR registrants are also eligible to apply eHKAM ID with limited functionalities⁴.

Your existing HKAM ID will be required during the registration. If you have lost the HKAM ID, please retrieve it [here](#). And you will be required to go through an email verification process, please prepare to sign in your personal mailbox to get the verification code.

Please [contact us](#) if you have any question or need further information.

eHKAM ID Registration

Email Address Creation

Create your customised eHKAM ID as well as your primary contact email address¹.

- Email address should be close to one's name for representing the right person and facilitate email communication;
- Email address may contain letters (a-z), numbers (0-9), and periods (.);
- Email address should contain at least one letters (a-z);
- Email address cannot contain special characters i.e. ampersand (&), equals sign (=), underscore (_), apostrophe ('). dash (-), plus sign (+), comma (,), brackets (<,>) etc. and more than one period (.);
- Email address may begin or end with non-alphanumeric characters except periods (.);
- Email address should contain five to twenty characters before @.
- Your ID is available.

Please enter your customised eHKAM ID:

@fellow.hkam.hk

- I acknowledge and accept that once the eHKAM ID is created, my primary contact email address in the Academy Register will be automatically updated to my eHKAM ID, and the original registered email address will become the secondary email address for backup communications. The original secondary email address will be removed permanently.
- Enabling backend auto-forward to automatically forward all incoming email from @fellow.hkam.hk to my secondary email address - .

Note: The auto-forwarding set-up via this registration form is a one-off arrangement configured by Academy's Technical Team, and can be disabled only subsequently at backend upon your request. You can also configure the auto-forwarding on your own later when the mailbox becomes available, and you will have full control on this function by that means.

Personal Cloud Storage Creation

- I **opt-in** to create personal cloud storage space¹.

The **cloud storage limit is 20GB** at this moment. This quota is subjected to the offer of Google Drive service bundled with Google Workspace subscription.

When the storage exceeds the limit

- You cannot upload new files or images.
- You cannot create new files in collaborative content creation apps like Google Docs, Sheets, Slides, Drawings, Forms, and Jamboard. Until you reduce storage usage, nobody can edit or copy the affected files or submit forms owned by you.
- You cannot back up any photos and videos at Google Photos.
- You cannot record new meetings in Google Meet.

- I **acknowledge the storage limit and situation of over quota described above.**

- I **opt-out** to create personal cloud storage space¹.
